Dear Isaac,

Thank you for your email. This signed message constitutes permission to use the material requested below.

You may include Figure 2 from Bickel and Kim's 2008 MWR article in your upcoming University of Iowa book, Principles of Psychological Assessment, with the following conditions:

1. Include the complete bibliographic citation of the original source.
2. Include the following statement with that citation: © **American Meteorological Society. Used with permission.**

If you have any questions or need additional information, please feel free to contact me.

*\*Please note: If the material in an AMS journal is credited to another source, the requester must obtain permission or license from that source directly. That material may not be used without permission or license from the copyright holder.\**

Best,

**Ms. Erin Gumbel, she/her/hers**
